

2021 VAAT Spring Member Meeting

Friday, April 23, 2021

State Meeting and Continuing Education Opportunity

Dr. Gammons from the Vermont Orthopedic Clinic will share the best available guidelines for return to play protocols for patients who've tested positive for COVID-19. Following Dr. Gammons, a panel of athletic trainers will share their professional experiences in managing patients with COVID-19.

9:00-10:00	Return to Play from COVID	Dr. Matt Gammons MD
10:00-11:00	COVID Management in the Clinical Setting	Renee Breault MS, LAT, ATC Jen Farrugia MS, LAT, ATC, CSCS Kelsey Higgins LAT, ATC
11:00-12:00	VAAT State Meeting	VAAT President Greg Jancaitis DAT, LAT, ATC, CSCS

Learning Objectives

1. Summarize the current understanding of COVID-19 transmission.
2. Describe post-COVID infection evaluation and treatment.
3. Implement COVID-19 prevention and management protocols in various clinical settings.
4. Consider options for return to play guidelines post-COVID based on best available research and scientific knowledge.

Free virtual meeting on Zoom
